

BACK TO PRACTICE INSTRUMENT DISCOUNT PROGRAM

UP TO 20% OFF INSTRUMENTS AND ACCESSORIES

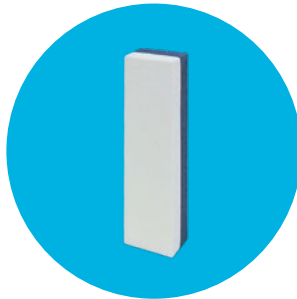

At HuFriedyGroup, there are two big issues that we can help practices with – **revenue** and **safety**. We understand your concerns about PPE, aerosol mitigation and other infection control precaution, because they are linked with getting patients back in the chair and ensuring staffs' peace of mind.

We understand reopening and practicing during these times is challenging. With new recommendations from the CDC and state dental guidelines to reduce aerosols, we want to ensure clinicians know what trusted products they can turn to.

HuFriedyGroup has partnered with select distributors to offer a discount program for those solutions you need across the full range of our instrument portfolio.

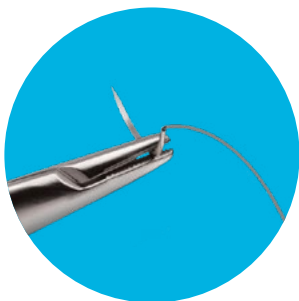

Instrumentation

Instrument Accessories

Crowns

Sutures

Power

Rubber Dam Clamps
