Fred S. Margolis, B.S., D.D.S.

Dr. Fred S. Margolis received his B.S. degree and D.D.S. degree from Ohio State University and his certificate in Pediatric Dentistry from the University of Illinois, College of Dentistry. He is an adjunct clinical assistant professor at the University of Illinois, College of Dentistry and a clinical instructor at Loyola University's Oral Health Center.

Dr. Margolis lectures both nationally and internationally and was recently selected as a top continuing education lecturer for 2011-2012 by Dentistry Today Journal. He has published articles in both lay and professional journals and is the author of *Beautiful Smiles for Special People* as well as co-author of *Pediatric Laser Dentistry*, Quintessence. He is very proud to have received the "Distinguished Member Award" in 2001 from the Illinois State Dental Society and the "Humanitarian Award" in 2011 from the Academy of General Dentistry. Dr. Margolis currently is in full-time private practice of pediatric dentistry in Buffalo Grove, Illinois.

THE TOTAL PEDIATRIC SOLUTION

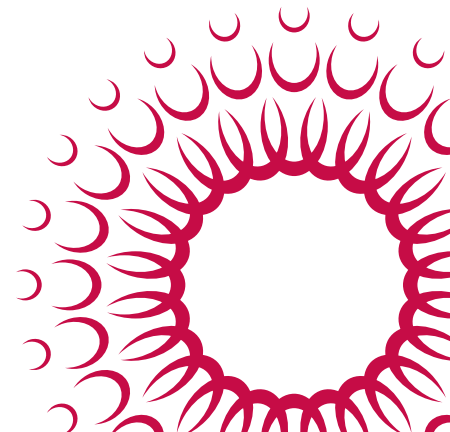

Hu-Friedy understands that successful outcomes in pediatric dentistry demand a delicate touch, uncompromising attention to detail and unwavering commitment to precision.

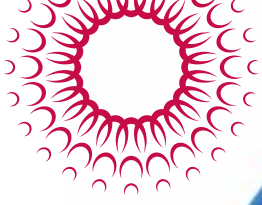

That's what we deliver.

In partnering with Dr. Fred Margolis and his personal instrument recommendations, we have developed **THE TOTAL PEDIATRIC SOLUTION** – an array of six procedural kits to accommodate the needs of the pediatric dentist helping them to perform at their best.

These procedural kits deliver consistent, accurate and predictable clinical outcomes, while allowing the practitioner to work more effectively and efficiently, ensuring more time for value-added services such as patient care.

Hu-Friedy

AMALGAM KIT

Two-Tier Signature Series®	IM9148
14 Instrument Cassette, Blue	
6 Mirror Handle	MH6
4 Front Surface Mouth Mirror, One	MIR4

#19 Excavator	EXC196
1 Goldstein Flexi-Thin XTS® Composite Instrument	TNCIGFT1
XTS Composite Instrument	TNFCIS
6061 Mini Spatula Placement Instrument	SP60616

"The Acorn Cone Burnisher provides excellent anatomical contouring of the amalgam restoration."

BB216

"The Goldstein Flexi-Thin XTS Composite Instrument combines the best of both – it's a great placement and contouring instrument in an aluminum titanium nitride coating, which resists sticking and scratching. Its large, lightweight handle design provides comfort and control."

TNCIGFT1

INTERCEPTIVE ORTHODONTIC KIT

Double-Decker Large 20 Instrument Orthodontic Cassette, Orange	IM5203-OR
