RESIN 8 COLORS

A SUPERIOR RESIN INSTRUMENT

How the best perform
At Hu-Friedy, every instrument, from its proprietary metal and textured design, to the color for organization, is designed with one purpose—to help you perform at your best.

When we created Resin 8 Colors scalers and curettes, we combined resin handles in 8 eye-catching colors with features that maximize your comfort and efficiency to achieve the best clinical outcomes—every patient, every day.

**EVEREDGE® TECHNOLOGY**
Stays sharper longer, which means less time sharpening

**STEEL INNER CORE DESIGN**
For added strength and tactile sensitivity

**LARGE DIAMETER RESIN HANDLE**
Optimum weight for a more comfortable grip and reduced pinch force

**UNIQUE TEXTURED HANDLE DESIGN**
Wave grooves and unique knurling texture increase rotational control and provide a light secure grasp

**SIGNATURE SERIES® GRIPS**
Silicone grip provides more comfort and color identification

**PERFECT ANGLES**
Consistently hand crafted blades for the most efficient calculus removal

**COLOR CODED SYSTEM**
To easily identify scalers and curettes that correspond to anatomical areas of the mouth
Resin 8 Colors Gracey curettes are organized by areas of the mouth, providing easy identification.

### Resin 8 Colors Gracey Color Coding

- **GRACEYS: 1/2, 3/4**
  - 1/2 and 3/4 Graceys available in Standard, Rigid, After Five®, After Five Rigid, Mini Five®, and Mini Five Rigid varieties

- **GRACEYS: 5/6**
  - 5/6 Graceys available in Standard, Rigid, After Five, After Five Rigid, Mini Five and Mini Five Rigid varieties

- **GRACEYS: 7/8, 9/10**
  - 7/8 Graceys available in Standard, Rigid, After Five, After Five Rigid, Mini Five and Mini Five Rigid varieties
  - 9/10 Graceys available in Standard

- **GRACEYS: 11/12, 15/16**
  - 11/12 and 15/16 Graceys available in Standard, Rigid, After Five, After Five Rigid, Mini Five and Mini Five Rigid

- **GRACEYS: 13/14, 17/18**
  - 13/14 Graceys available in Standard, Rigid, After Five, After Five Rigid, Mini Five and Mini Five Rigid
  - 17/18 Graceys available in Standard and Rigid

### USE OF GRACEY CURETTES

- **Anterior**
  - Buccal/Lingual

- **Mesial Surfaces**
  - Premolars, Molars

- **Distal Surfaces**
  - Premolars, Molars

### Resin 8 Colors Gracey Curettes

- Gracey curettes are organized by areas of the mouth, providing easy identification.

- **11/14 and 12/13 Graceys**
  - Available in the Standard variety and come in a Resin 8 Colors red handle

### Systematic Instrumentation

- **Lingual/ Buccal (mandibular or maxillary)**
  - Lingual Maxillary Left Second Molar S51/12CB
  - Lingual Mandibular Right First Premolar S50/6CB
CARING FOR YOUR RESIN INSTRUMENTS

Cleaning and Care of Your Resin Instruments

In order to maintain the integrity of the resin instruments, detergents or disinfectants containing phenols or iodophors cannot be used. In addition, dry heat is not compatible with instruments with resin handles (Hu-Friedy handle #8), with resin or silicone components, inserts on any instruments, or with resin cassettes. The sterilizer equipment manufacturer’s compatibility with specific materials must be observed.

Maintaining the Sharp Edge

Although Hu-Friedy’s Resin Color instruments are made with EverEdge® technology which keeps the working ends sharper longer, at some point every scaler needs sharpening. Hu-Friedy offers over thirty years experience in instrument finishing and sharpening to the clinician who prefers a “hands-off” style of sharpening.

Through this service, our instrument artisans recreate factory cutting blades on a daily basis, sharpening your instrument to the performance level of a brand new scaler! With Hu-Friedy’s Professional Sharpening Service, you’ll save valuable time and effort sharpening and have more time to provide better patient care!

Replacing Your Resin Instrument

Don’t forget about Hu-Friedy’s Environdent® Program! The longest running program in the dental industry, Environdent provides an environmentally-friendly way for dental professionals to dispose of their old, broken, or re-tipped instruments, and earn free instruments.

No landfills, no refurbishing—instruments recycled through the Environdent program are sent to metal scrap recyclers so they can find new life in other items such as bridges, car bumpers and street lights.

Visit Hu-Friedy.com/Environdent for more information.
